

VNS Health LGBTQ+ Program Manager Featured in TIME Magazine

June 17, 2021

From TIME Magazine

Thought Leadership

TIME Magazine has featured Arthur Fitting, VNS Health LGBTQ+ Program Manager, in an article that compares the traumatic experience of people during the HIV/AIDS crisis 40 years ago with the current COVID-19 pandemic. In the piece, Arthur explains how his personal experience motivates his work at VNSNY and his commitment to serve marginalized communities and the underserved.
