VNS Health Included on Forbes America’s Best Employers for Healthcare Professionals 2026 Ranking

October 8, 2026
From VNS Health
Recognition & Awards

We’re delighted to share the exciting news that VNS Health has been officially recognized as one of America’s Best Employers for Healthcare Professionals 2026, a prestigious award honored by Forbes and Statista.

America’s Best Employers for Healthcare Professionals have been identified in an independent survey from a vast sample of over 30,000 U.S. employees working for healthcare and social welfare providers employing at least 1,000 people within the U.S. This prestigious recognition celebrates VNS Health’s outstanding workplace culture, employee support systems, and unwavering commitment to advancing the healthcare professions.

This recognition highlights VNS Health’s ongoing commitment to building an inclusive, innovative, and empowering environment where healthcare professionals can thrive. The ranking evaluated employers based on Atmosphere & Development, Salary & Wage, Image, Company Culture, Working Conditions, and Workplace. We are honored to be recognized on Forbes America’s Best Employers for Healthcare Professionals 2026 ranking.

“VNS Health serves an incredibly diverse community, helping people stay healthy wherever they call home. That makes it essential that we support our team members with the same

compassion and dedication they bring to the people in their care," said Dan Savitt, President and Chief Executive Officer at VNS Health. "Being recognized through an independent national ranking of healthcare employers is something we're especially proud of. But we're even more proud of the people behind this recognition, and we'll keep listening, learning, and working to make VNS Health a place where they can thrive."

Statista publishes hundreds of worldwide industry rankings and company listings with high-profile media partners. This research and analysis service is based on the success of statista.com, the leading data and business intelligence portal that provides statistics, relevant business data, and various market and consumer studies and surveys.
