Dear Friends:

As the Speaker of the New York City Council, I am delighted to extend my warmest greetings to everyone gathered for VNS Health's 2022 benefit, "*The Future of Care. The Comfort of Home.*"

Throughout VNS Health's remarkable 128-year history, its dedicated professionals have never wavered in their mission to provide expert, compassionate care to millions of individuals and families.

Through an extensive array of home- and community-based programs designed to meet our city's diverse health and personal care needs, VNS Health has helped reduce the duration of hospitalizations and improve the quality of life for their patients overall.

This commitment to providing high-quality, cost-effective health care has been a vital part of confronting the many challenges created by COVID-19, and I celebrate all of the frontline heroes for their profound dedication and service which has made New York a much healthier and safer city for us all.

Congratulations as well to this year's honorees.

Here's wishing VNS Health continued success in the years ahead, and everyone a wonderful time tonight!

Sincerely,

A handwritten signature in black ink that reads 'Adrienne Adams'.
