

KIRSTEN GILLIBRAND
NEW YORK

UNITED STATES SENATOR

November 10, 2022

Dear Friends,

It is a privilege to send greetings to everyone attending the VNS Health 2022 Benefit, “The Future of Care. The Comfort of Home.” Thank you to the leadership of VNS Health for bringing together this important event and for providing support to the thousands of vulnerable New Yorkers who rely on your compassionate care services. I am honored to congratulate tonight’s honorees, who will be receiving the Lillian D. Wald Award for their significant contributions to the health and welfare of others: Eugenie F. Doyle, MD, Board Member Emerita of VNS Health, and Stephen A. Warnke, Partner of Ropes & Gray LLP.

I am grateful to VNS Health for its steadfast dedication and commitment towards the health and well-being of our communities. As the nation’s largest not for profit home- and community-based health care agency, VNS Health routinely provides high-quality, cost-effective health care services to nearly 43,000 lives on any given day, especially throughout recent public health crises. It is my hope that these efforts inspire others to take part in actions large and small to enhance the health and well-being of those in our community.

Please accept my best wishes for a wonderful event and many more years of continued success.

Sincerely,
